

# Crawley Microwave Round Table Program

Sunday 9th September 2018

Welcome to the Crawley Roundtable hosted once again at the premises of the Crawley Amateur Radio Club.

The morning session will feature the usual 'bring and buy' sale, so if you have surplus radio items then please bring them along.

Again this year following we will be holding a heat for the UK Microwave Group annual Project contest. Please do bring along your constructed equipment or project and enter. Entries do not necessarily need to have been finished during the last year. Please note that the contest will also accept software entries as well as hardware.

CARC award the G3GRO trophy to the winner of this round. The winner will also go on to be considered, together with entries from all the other round tables over a year both before and after this event for the G3VVB trophy.

We are also hoping that G3LYP will be attending with the UKuW Group chipbank. If you have a forthcoming project then why not contact Mike beforehand to place your orders, which are free for UKuW group members.

Below is the provisional timetable:
